JESCO UNIVERSAL SCISSORS RED 17 CM

Ref. IC14404

Holtex

Allows easy cutting (bandages, dressings, etc.) during surgical procedures

Description

Jesco (or Gesco) scissors.

Put them in every first aid kit!

Widely used in surgical procedures and their presence is necessary in first aid kits at school, on work sites, in company pharmacies or in retirement homes.

Stainless steel cutting blades.
Universal scissors allowing to cut easily.

Available in different sizes : yellow, black, green, blue, red
Universal size : 17 cm at the shortest, 19 cm at the longest

Holtex instruments are all made of top-quality stainless steel (AISI 304, 410, 420 and 420A, depending on the type of instrument) to guarantee good durability and resistance to corrosion.

The steels come into contact with human tissues and must therefore comply with international standards and regulations in force.

Holtex guarantees that its medical devices comply with the 2017/745 EU regulation and ISO 13485.
