

Eiffel MEDICAL BAG

This large size bag has a wide two-way opening and multiple pockets for storing and easily reaching the full set of care and diagnostic tools.

Mottled grey and black, the Eiffel bag is both chic and simple at the same time. A shape to remind us of the legendary doctor's briefcase.

DESCRIPTION:

- A main space with 8 pockets, 2 removable Velcro separators and 1 small zip net pocket
- A ventral pocket (40 x 20 cm) with 2 zip net pouches, 2 flat pockets and a side with elastic loops
- Four outside zip pockets and another with an elastic strip so that your gel bottle is always to hand
- An inner fabric that hints at your job with the De Boissy monogram
- Padded, strong handles
- A padded, detachable, adjustable shoulder strap
- A name holder to properly identify your bag
- Non-slip pads to reduce rubbing and wear
- Resistant, durable, water-repellent, hence washable polyester fabric with a reflective stripe
- Medical equipment you can see on pictures is not sold with the bag
