

Eiffel CONVERTIBLE MEDICAL BACKPACK

4-in-1, the backpack can be converted into a briefcase and thanks to its extension zip, you have a choice of two sizes:

- A backpack
- A large backpack
- A briefcase
- A large briefcase

Mottled grey and black, the Eiffel bag is both chic and simple at the same time.

It is ideal for organising and easily adding all of the care and diagnostic tools you need.

DESCRIPTION:

- A main space with 3 detachable transparent compartments held in place with Velcro + 1 isotherm pocket with cold gel pouch
- A padded secondary space for storing documents and a laptop/tablet
- An extension zip for an additional 6 litres of storage space
- A ventral pocket (45 x 21 cm) with 2 zip net pouches, 2 flat pockets and a side with elastic loops
- 2 outside zip pockets and another with an elastic strip so that your gel bottle is always to hand
- An inner fabric that hints at your job with the De Boissy monogram
- Shoulder strap, straps and handles that are padded and that can be hidden
- A name holder to properly identify your bag
- A non-slip side to reduce rubbing and wear in briefcase mode
- Resistant, durable, water-repellent, hence washable polyester fabric with a reflective stripe
- Medical equipment you can see on pics is not sold with the bag
