PERSONAL FLOOR SCALE MPC

Ref. EK MPC01

Scale with remote display that can be fixed to the wall

Description

- Hygienic and easy to clean
- Stable and non-slip thanks to its height-adjustable rubber feet
- Very stable handle for transporting the scale
- Large surface with non-slip and wear-resistant coating for maximum stability
- BMI function for calculating underweight/normal/overweight
- Hold function: for agitated patients, the average value looks for a stable weighing value and "freezes"
- "Mother and child" function: the mother's weight is taken, then the ladder is reset at the touch of a button. Then mother and baby can be weighed together. The child's weight will be automatically displayed on the screen
- Vibration filtering
- High-resolution playback: the measurement can be increased by one decimal place by simply pressing a key
- Large LCD screen, with backlight, height of digits 25 mm
- Graduation 0.1 kg
- Battery operation (6 x 1.5V AA included) or mains (power supply supplied) or optional with rechargeable battery pack
- Homologable in Class III
- Medical approval according to 93/42/EEC

Technical specifications:

- Display dimensions :L×P×H 200×130×60 mm
- Net weight approx. 10 kg

For any measuring device requiring medical Class III approval, accessories must be ordered at the same time as the device in order for the approval to be valid.
