SCALPEL HANDLE N°3

Ref. ID05403

To hold compatible blade for surgical incisions (Scalpel blade no. 10 and no. 11).

Description

Holtex is specialist in stainless steel surgical instruments since 1980. Holtex instruments are all made of top quality stainless steel in order to guarantee good resistance to corrosion and durability.

> This reference is made with Stainless Steel AISI 410.

Holtex Instruments are guaranteed for 2 years under normal conditions of use. The warranty does not cover wear parts, shocks and maintenance defects made by the user

Packaging and traceability: Holtex instruments are supplied in individual bags, sealed and labelled with : Logo, and address of the manufacturer, the product reference, the detailed designation in French and English, the lot number ("LOT"), the CE marking, and the barcode.

Cleaning: Please read carefully instructions of cleaning and sterilisation of stainless-steel equipment inserted in each individual bag. Instructions can be also downloaded from the product page on our website.

Features
