The Holtex eco-friendly and responsible medical tunic brings extra comfort and strength to a classic polycotton tunic: superior quality, increased strength, easy maintenance and maximum ease. Its cut is traditional and modern at the same time. Its officer collar, its short sleeves mounted lapels and its 3 plated pockets are nicely finished with a white border which makes this men's tunic a very neat garment.

Lyocell is a natural material, made from eucalyptus wood pulp.

- Soft, lightweight, comfortable and slightly elastic,
  - Easy to maintain, wrinkle resistant, it does not lint.
  - Antibacterial, hypoallergenic, breathable, it absorbs moisture (up to 50% more than cotton): it is ideal for sensitive skin.
  - Environmentally friendly: Eucalyptus cultivation requires much less water and pesticides than cotton.
