The eco-responsible women's medical tunic

Description

- White women's tunic with short sleeves,
- Eco-responsible: 50% Lyocell (eucalyptus fiber) and 50% Polyester,
- Rounded neckline,
- Side opening with snap buttoning
- Nice finishes with white edging with 3 plated pockets and Kimono sleeves,
- Twill, 215g/m2,
- Available from Size 0 to Size 6.

The Holtex eco-friendly and responsible medical tunic brings extra comfort and strength to a classic poly-cotton tunic: superior quality, increased strength, easy maintenance and maximum ease. Its feminine cut is traditional and modern at the same time, perfectly corresponds to the expectations of medical and paramedical professionals: nurses, nursing assistants, doctors, nurses, physiotherapists, dental assistants, audioprosthologists, dieticians, podiatrists, speech therapists, osteopaths, etc.

Lyocell is a natural material, made from eucalyptus wood pulp.

- Soft, lightweight, comfortable and slightly elastic,
- Easy to maintain, wrinkle resistant, it does not lint.
- Antibacterial, hypoallergenic, breathable, it absorbs moisture (up to 50% more than cotton): it is ideal for sensitive skin.
- Environmentally friendly: Eucalyptus cultivation requires much less water and pesticides than cotton.
