Ref. MDETRE01

De Boissy
— DEPUIS 1982

Eco-responsible, customizable and "super organized" for a trendy look with all the practical and modern options

Description

All fabrics, exterior and interior, certified Global Recycled Standard (GRS), have been made from recycled material and remain washable, resistant and water-repellent.

Etretat: it is the gray of the cliffs and the brown of the earth of this emblematic and natural place of Normandy.

If De Boissy wanted to pay tribute to the caregivers and be inspired for his bags in the shape of the traditional leather bag of doctors, the look of Etretat bags contrasts well and truly with the usual classicism. De Boissy played the card of elegance trend and modernity. And the fact remains that they have been designed to be "ultra practical", to be the best ally of health professionals during their medical visits at home or in community.

- The large volume interior main space includes 6 pockets, 2 removable velcro dividers, 1 padded compartment for laptop. With a very large bidirectional zip opening, it gives very easy access to diagnostic instruments and care equipment
- This space also includes 2 detachable compartments (with velcro): 1 transparent to quickly identify the contents, and 1 isothermal, supplied with its reusable cold gel pocket, to slide up to 20 bulbs. There is also a carabiner to, for example, gather the keys of patients to visit every day and even an elastic buckle to hold a bottle or a gourd upright.
- The ventral pocket (40x20 cm) opens completely with on one side 2 zipped storage nets and 2 flat pockets, and on the other side several elastic loops allow to store small care supplies: pliers, scissors, pen lamp, thermometer, bandages, pens etc ...
- Three external zipped pockets, one for A4 documents and another on the side with elastic to slide the bottle of hydroalcoholic gel which remains easily accessible at any time
- 1 pouch, grained leather appearance, is detachable. What allows you to customize your bag (fancy printed pouch sold separately)
- An external USB port with integrated charging cable allows you to connect a backup battery and never fail your phone, or forget your charger at a patient
- Padded and solid handles, a padded and adjustable shoulder strap- A name tag to identify the bag
- A non-slip bottom to reduce friction and wear
- Dimensions w x h x d: 40 x 35 x 24 cm- Weight: 1.6 kg
