DIGITAL OTOSCOPE FIREFLY DE500A

Ref. DFIDE500A

Connected otoscope for telemedicine use

Description

High-precision digital handheld otoscope video; makes very precise and clear observations of the ear.

- Resolution of 1280x1024 real pixels without processing with interpolation techniques.
- Provides instant images and videos: DE500 uses a state-of-the-art image processing engine that virtually eliminates visual lag, allowing for an intuitive user experience.
- Magnification up to 50x optically and 150x digitally for accurate analysis.
- Equipped with multi-layered glass lenses, rather than plastic, thus offering superb depth of field and unparalleled image sharpness.
- High-quality ultra-bright LEDs with adjustable brightness are installed.
- Easily integrates with digital medical records (EMRs)

Features

CE Marking	CE	Medical device	Class I
Bar code	851289007064	HS Code	901819900
Warranty (months)	12
